General Information

1. This document is your boarding pass. Please keep it until you have reached your final destination.

2. Please also carry your valid passport / ID card with you during the whole journey for proof of identity.
For international flights, local regulations for entry and departure must be complied with and any necessary documents (e.g. visa) must be obtained.

3. For passengers travelling with baggage, it is necessary to check it in at the designated baggage counter before closure time (60 min prior to departure). You will find information regarding the counter closure times at https://www.eurowings.com/en/my-trip/checkin.html.

4. Please arrive at your gate* not later than the advised boarding time. Eurowings Discover reserves the right to cancel your reservation if you do not comply with boarding deadlines.

5. Carriage with Eurowings Discover is subject to our General Conditions of Carriage (ABB).

Unchecked Baggage

Important: Passengers may carry one piece of carry-on-baggage (Business Class: two pieces) up to a maximum weight of 8kg with dimensions of 55x40x23cm, provided that they do not contravene any statutory or official regulations.

Dangerous Articles in Passenger Baggage: Please note that for safety reasons, dangerous goods and prohibited materials are not allowed to be carried in passenger baggage and on board the aircraft. You can find a detailed list in our General Conditions of Carriage (ABB).

*Please be aware that gate numbers may change.
